

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	400
Author	Ahuja, Lajpat R.
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	Indirect Estimation of Hydraulic Conductivity and its Spatial Distribution
Section	Specific Goal 2: New Ideas for Characterizing Spatial Variability
Pages	pg 76, 15 pp.
Primary/Co-Author	C

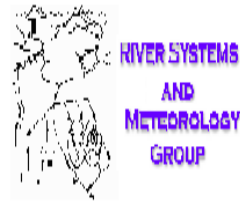

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	401
Author	Ahuja, Lajpat R.
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	Estimating the Soil Water Retention Curve with Soil Bulk Density and -33 kPa Value
Section	Specific Goal 2: New Ideas for Characterizing Spatial Variability
Pages	pg 91, 11 pp.
Primary/Co-Author	C

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	402
Author	Ahuja, Lajpat R.
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	Macropore Modeling: State of the Science
Section	Specific Goal 4: Innovations in Computer Modeling of Variabilities
Pages	pg 217, 11 pp.
Primary/Co-Author	C

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	403
Author	Ahuja, Lajpat R.
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	Scaling Analysis of Infiltration at R-5 Catchment
Section	Poster Abstracts
Pages	pg 239, 2 pp.
Primary/Co-Author	C

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	404
Author	Allmaras, R.R.
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	Temporal Character of Surface Seal/Crust: Influences of Tillage and Crop Residue
Section	Specific Goal 3: Characterizing Temporal Variability
Pages	pg 171, 18 pp.
Primary/Co-Author	P

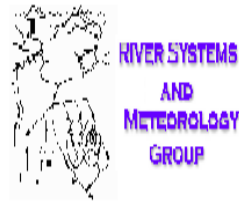

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	405
Author	Attenborough, K.
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	Roughness Influences on Soil Acoustic Impedance
Section	Poster Abstracts
Pages	pg 241, 2 pp.
Primary/Co-Author	C

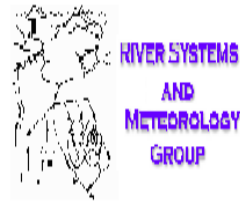

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	406
Author	Bonta, James V.
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	Spatial Variability of Runoff From Small Agricultural Watersheds On Similar Soil-Map Units
Section	Poster Abstracts
Pages	pg 234, 2 pp.
Primary/Co-Author	P

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	407
Author	Bonta, James V.
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	"Real World" Precipitation
Section	Poster Abstracts
Pages	pg 236, 1 pp.
Primary/Co-Author	P

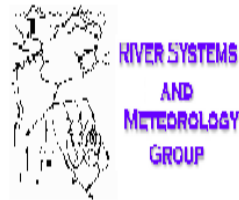

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	408
Author	Bosch, David D.
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	Statistical and Geostatistical Characterization of Spatial Variability
Section	Specific Goal 2: New Ideas for Characterizing Spatial Variability
Pages	pg 122, 8 pp.
Primary/Co-Author	P

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	409
Author	Bosch, David D.
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	Infiltration-Scale Interactions
Section	Specific Goal 4: Innovations in Computer Modeling of Variabilities
Pages	pg 214, 3 pp.
Primary/Co-Author	C

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	410
Author	Douglas, C.L., Jr.
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	Temporal Character of Surface Seal/Crust: Influences of Tillage and Crop Residue
Section	Specific Goal 3: Characterizing Temporal Variability
Pages	pg 171, 18 pp.
Primary/Co-Author	C

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	411
Author	Emmerich, W.E.
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	Infiltration-Scale Interactions
Section	Specific Goal 4: Innovations in Computer Modeling of Variabilities
Pages	pg 214, 3 pp.
Primary/Co-Author	C

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	412
Author	Ferreira, Virginia
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	"Real World" Precipitation
Section	Poster Abstracts
Pages	pg 236, 1 pp.
Primary/Co-Author	C

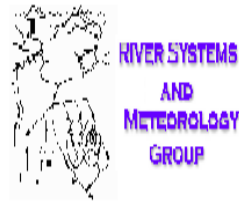

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	413
Author	Flerchinger, Gerald N.
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	Shrinking/Swelling, Freezing/Thawing, and Grazing Effects on Infiltration
Section	Specific Goal 3: Characterizing Temporal Variability
Pages	pg 189, 13 pp.
Primary/Co-Author	P

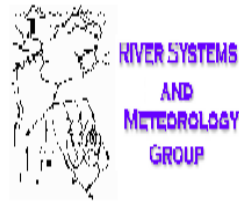

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	414
Author	Flerchinger, Gerald N.
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	Modeling Infiltration Into Frozen Soils
Section	Specific Goal 4: Innovations in Computer Modeling of Variabilities
Pages	pg 228, 5 pp.
Primary/Co-Author	P

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	415
Author	Frasier, G.W.
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	Small Watershed Studies: Infiltration Data and Research Needs
Section	Specific Goal 1: Knowledge Gained from Past Plot, Field and Small Watershed Studies
Pages	pg 57, 8 pp.
Primary/Co-Author	P

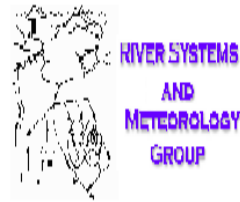

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	416
Author	Frasier, G.W.
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	Shrinking/Swelling, Freezing/Thawing, and Grazing Effects on Infiltration
Section	Specific Goal 3: Characterizing Temporal Variability
Pages	pg 189, 13 pp.
Primary/Co-Author	C

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	417
Author	Gimenez, Daniel
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	Characterization of Soil Spatial Variability with Fractals
Section	Specific Goal 2: New Ideas for Characterizing Spatial Variability
Pages	pg 130, 10 pp.
Primary/Co-Author	P

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	418
Author	Goodrich, David C.
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	Status and Future of Modeling Spatial and Temporal Variability of Infiltration
Section	Specific Goal 4: Innovations in Computer Modeling of Variabilities
Pages	pg 204, 10 pp.
Primary/Co-Author	C

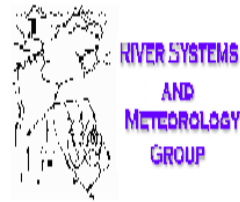

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	419
Author	Goodrich, David C.
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	Infiltration-Scale Interactions
Section	Specific Goal 4: Innovations in Computer Modeling of Variabilities
Pages	pg 214, 3 pp.
Primary/Co-Author	P

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	420
Author	Goodrich, David C.
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	Statistical and Geostatistical Characterization of Spatial Variability
Section	Specific Goal 2: New Ideas for Characterizing Spatial Variability
Pages	pg 122, 8 pp.
Primary/Co-Author	C

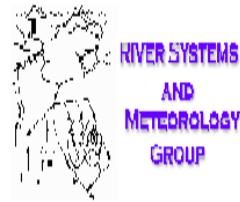

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	421
Author	Grossman, R.B.
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	Shrinking/Swelling, Freezing/Thawing, and Grazing Effects on Infiltration
Section	Specific Goal 3: Characterizing Temporal Variability
Pages	pg 189, 13 pp.
Primary/Co-Author	C

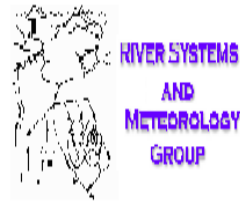

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	422
Author	Jackson, Thomas J.
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	Use of Remote Sensing for Determining Spatial Infiltration Characteristics
Section	Specific Goal 2: New Ideas for Characterizing Spatial Variability
Pages	pg 102, 7 pp.
Primary/Co-Author	P

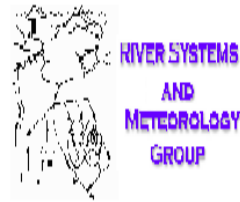

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	423
Author	Jaynes, D.B.
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	Subsurface Lateral Transport in Glacial Till Soils During a Wet Year
Section	Poster Abstracts
Pages	pg 237, 2 pp.
Primary/Co-Author	C

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	424
Author	Keefer, T.O.
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	Infiltration-Scale Interactions
Section	Specific Goal 4: Innovations in Computer Modeling of Variabilities
Pages	pg 214, 3 pp.
Primary/Co-Author	C

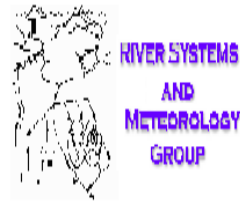

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	425
Author	Kidwell, Mary
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	Predicting WEPP Effective Hydraulic Conductivity Values on Rangelands
Section	Specific Goal 1: Knowledge Gained from Past Plot, Field and Small Watershed Studies
Pages	pg 24, 14 pp.
Primary/Co-Author	C

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	426
Author	Linden, D.R.
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	The Characteristics and Temporal Variability of Infiltration as Affected by Macropores and Plants
Section	Specific Goal 3: Characterizing Temporal Variability
Pages	pg 150, 21 pp.
Primary/Co-Author	C

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	427
Author	Liu, B.Y.
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	Infiltration Parameters for the WEPP Green-Ampt Model: Cropland Applications
Section	Specific Goal 1: Knowledge Gained from Past Plot, Field and Small Watershed Studies
Pages	pg 38, 19 pp.
Primary/Co-Author	C

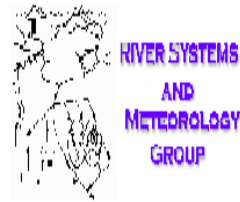

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	428
Author	Logsdon, S.D.
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	The Characteristics and Temporal Variability of Infiltration as Affected by Macropores and Plants
Section	Specific Goal 3: Characterizing Temporal Variability
Pages	pg 150, 21 pp.
Primary/Co-Author	C

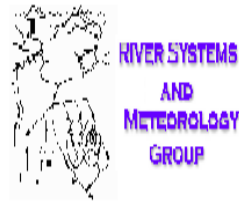

Welcome to the U.S. Bureau of Reclamation's

Citation Report

ID	463
Author	Stone, Jeffrey J.
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	Measurement Methods to Identify and Quantify Spatial Variability of Infiltration on Rangelands
Section	Specific Goal 2: New Ideas for Characterizing Spatial Variability
Pages	pg 109, 13 pp.
Primary/Co-Author	C

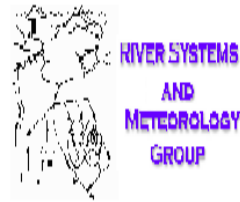

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	464
Author	Stone, Jeffrey J.
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	Infiltration-Scale Interactions
Section	Specific Goal 4: Innovations in Computer Modeling of Variabilities
Pages	pg 214, 3 pp.
Primary/Co-Author	C

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	465
Author	Timlin, Dennis J.
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	Indirect Estimation of Hydraulic Conductivity and its Spatial Distribution
Section	Specific Goal 2: New Ideas for Characterizing Spatial Variability
Pages	pg 76, 15 pp.
Primary/Co-Author	P

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	466
Author	Timlin, Dennis J.
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	Estimating the Soil Water Retention Curve with Soil Bulk Density and -33 kPa Value
Section	Specific Goal 2: New Ideas for Characterizing Spatial Variability
Pages	pg 91, 11 pp.
Primary/Co-Author	C

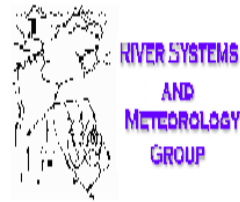

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	467
Author	Unkrich, C.L.
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	Infiltration-Scale Interactions
Section	Specific Goal 4: Innovations in Computer Modeling of Variabilities
Pages	pg 214, 3 pp.
Primary/Co-Author	C

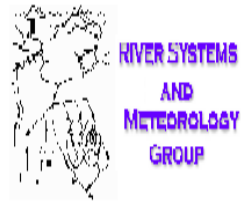

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	468
Author	Van Vactor, Steven
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	Predicting WEPP Effective Hydraulic Conductivity Values on Rangelands
Section	Specific Goal 1: Knowledge Gained from Past Plot, Field and Small Watershed Studies
Pages	pg 24, 14 pp.
Primary/Co-Author	C

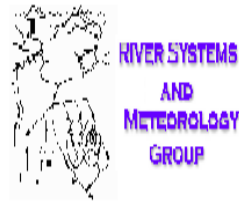

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	469
Author	Weltz, Mark
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	Predicting WEPP Effective Hydraulic Conductivity Values on Rangelands
Section	Specific Goal 1: Knowledge Gained from Past Plot, Field and Small Watershed Studies
Pages	pg 24, 14 pp.
Primary/Co-Author	C

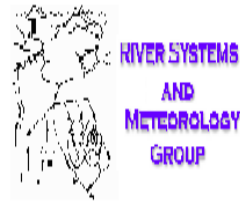

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	470
Author	Williams, J.D.
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	Shrinking/Swelling, Freezing/Thawing, and Grazing Effects on Infiltration
Section	Specific Goal 3: Characterizing Temporal Variability
Pages	pg 189, 13 pp.
Primary/Co-Author	C

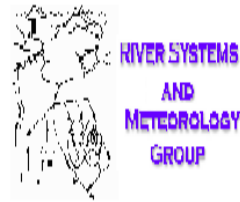

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	471
Author	Williams, Robert D.
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	Indirect Estimation of Hydraulic Conductivity and its Spatial Distribution
Section	Specific Goal 2: New Ideas for Characterizing Spatial Variability
Pages	pg 76, 15 pp.
Primary/Co-Author	C

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	472
Author	Williams, Robert D.
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	Estimating the Soil Water Retention Curve with Soil Bulk Density and -33 kPa Value
Section	Specific Goal 2: New Ideas for Characterizing Spatial Variability
Pages	pg 91, 11 pp.
Primary/Co-Author	P

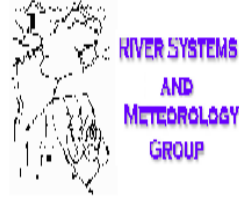

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	473
Author	Yeck, R.D.
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	Partnership with NRCS
Section	Appendix
Pages	pg 246, 4 pp.
Primary/Co-Author	C

Welcome to the U.S. Bureau of Reclamation's

Hydrologic Modeling Inventory

Citation Report

ID	474
Author	Zhang, X.
Publication	Proceedings of the USDA-ARS Workshop on "Real World" Infiltration, Pingree Park, July 22-25, 1996
Title	Infiltration Parameters for the WEPP Green-Ampt Model: Cropland Applications
Section	Specific Goal 1: Knowledge Gained from Past Plot, Field and Small Watershed Studies
Pages	pg 38, 19 pp.
Primary/Co-Author	C
